

# Co-ownership in practice

The practical benefits of co-ownership are clearly seen through School Forums and Fellowship Council meetings. They're a great way to drive improvement in your academy, offer great public speaking opportunities, and provide a regular opportunity to meet other members of the Fellowship. Co-ownership's also a great way to share and develop our ethos and provide mutual support.

We are grateful to the John Lewis Partnership, famed for its highly-developed and sustainable co-ownership model, which has given us advice and support to enable us to develop and deliver our democratic structures. Our co-ownership model is unique in Education.

## FORUM

### School Forum Meetings

Each academy holds a minimum of one forum meeting each term (terms 1-6). Fellowship facilitators will chair a meeting in terms 2, 4 and 6. Forums will develop a life of their own in each academy.

## COUNCIL

### Fellowship Council Meetings

These take place in terms 2, 4 and 6. Make the most of the opportunity to meet, congratulate and challenge the Fellowship CEO, his deputy, and their executive team as well as meet other members of the Fellowship family of academies to discuss and pool ideas.
